Declaration of conformity

Dear Sir or Madam,

The Association of the European Adhesive and Sealant Industry (FEICA) has developed so-called Model Environmental Product Declarations (EPDs) and had them independently verified by the German Institute Construction and Environment (IBU - Institut Bauen und Umwelt). Sto SE & Co. KGaA is a member of the IBU. These IBU verified Model EPDs have been made publicly available by the FEICA and the IBU. Based on the product formulations it was checked if our products were covered by the Model EPDs.

This Declaration confirms that the following products are covered by the following Environmental Product Declarations.

EPD: Model „Modified mineral mortars, group 1”
